

Pinch Valve Replacement Sleeves

Onyx Valve Quality, competitive pricing, and fast delivery on replacement sleeves for many other brands of pinch valve.

Onyx replacement sleeves are available for all popular brands of pinch valves. Full compression molding improves service life. Sleeves for emergency applications can usually be shipped the next business day. We can provide full round or reduced port sleeves for on/off or throttling applications. Valve service and repair available.

Materials available:

- Pure Gum Rubber
- Nitrile
- Chloroprene
- White Odorless and Tasteless FDA Food Grade Rubber
- Fluoro Carbon (Viton ®)
- EPDM
- ChloroSulfonated Polyethylene
- Butyl

Take advantage of one-stop shopping and buy all your pinch valve sleeves from the quality leader in the pinch valve industry. And remember, you can reach Onyx Valve Co 24 hours a day, every day.
